

Directions to Oakley, Hampshire

A339

If you are travelling to Basingstoke on the A339 through Kingsclere you can go through Kingsclere to Overton and then to Oakley via the B3400 but these directions avoid the country route and assume that you stay on the A339 to the outskirts of Basingstoke.

As you approach Basingstoke you will see a brown road sign giving instructions to the Leisure Park, Milestones etc. Shortly after this sign you will come to a roundabout.

At the roundabout take the third exit (right) onto Roman Road, signed Winklebury / Worting.

Follow Roman Road until the mini-roundabout junction with the B3400, Worting Road. Turn right (2nd exit), signed Whitchurch, Overton and Oakley.

Follow the B3400, through Worting and Newfound.

When you are in the 30mph section through Newfound you will pass a Garage on the left and you will see The Fox Public House a little further along the road.

Turn left at The Fox onto Fox Lane.

Stay on Fox Lane until the Pack Lane crossroads and go straight over the crossroads onto Oakley Lane.

Follow Oakley Lane as the road swings to the right and then left again, under a railway bridge.

Follow Oakley Lane, past the school lay-by on the right and local shops, on the left. (These may well be the best places to park!)

Oakley Lane stops at a T-junction with Hill Road, next to the village duck pond.

Oakley Methodist Church is then just to your left, facing the pond.
