

# Directions to Oakley, Hampshire

## M3 J6/A30

If you are using the M3 and exiting at Junction 6

then follow the signs to the ring road and A339 (Newbury).

You will now encounter Basingstoke's new "half hamburger" roundabout. If you have come from the M3 stay in the lane signed A339 (Newbury) and you will proceed straight onto the ring road.

If you are travelling west on the A30 (London Road)

you will come to the "half hamburger" roundabout but will need to "turn right" at the roundabout onto the ring road signed A339 (Newbury).

Stay on the ring road, signed A339 (Newbury). This will take you under the Reading road roundabout and over the Houndmills roundabout.

As you approach the next roundabout, stay in the middle lane and take the 2nd exit, signed A339 (Newbury).

At the next roundabout take the first exit, left, onto Roman Road, signed Winklebury / Worting.

Follow Roman Road until the mini-roundabout junction with the B3400, Worting Road. Turn right (2nd exit), signed Whitchurch, Overton and Oakley.

Follow the B3400, through Worting and Newfound.

When you are in the 30mph section through Newfound you will pass a Garage on the left and you will see The Fox Public House a little further along the road.

Turn left at The Fox onto Fox Lane.

Stay on Fox Lane until the Pack Lane crossroads and go straight over the crossroads onto Oakley Lane.

Follow Oakley Lane as the road swings to the right and then left again, under a railway bridge.

Follow Oakley Lane, past the school lay-by on the right and local shops, on the left. (These may well be the best places to park!)

Oakley Lane stops at a T-junction with Hill Road, next to the village duck pond.

Oakley Methodist Church is then just to your left, facing the pond.
